

Notice of Public Information Session
Durand Glass Manufacturing Company
901 S. Wade Boulevard, Millville, Cumberland County, New Jersey 08332
NJDEP PI #75475 Tuesday, October 11, 2022

In accordance with New Jersey Department of Environmental Protection (NJDEP) Administrative Order 2020-25 (AO 2021-25), Durand Glass Manufacturing Company (Durand), a subsidiary of Arc Holdings, invites public comment on its proposed Title V Air Quality Permit renewal for its existing operations and 2 related air permit applications for some additional support equipment. Title V permits allow facilities to operate air emission sources within the parameters defined in the permit. Compliance with AO 2021-25 is required for Durand, as the facility is considered a major source of air pollution and the facility is located within an overburdened community, as identified by the NJ Office of Environmental Justice.

A project summary for the Durand Title V renewal and the 2 related air permit applications is available for review at the Millville Public Library beginning on September 8, 2022. The project summary also can be viewed on the Arc/Durand website at www.arc-intl.com/en/medias/news-and-events/

A public information session will be held on **Tuesday, October 11, 2022**, between 6:00 pm and 8:00 pm at the following location:

Durand Glass Manufacturing Company
901 S. Wade Boulevard, Millville, New Jersey 08332

Since 1982, Durand, has been operating tableware glass furnaces and supporting equipment at its Millville facility pursuant to NJDEP permits. Durand invites members of the Millville community to participate in this information session and make comments to allow for direct engagement with the local community.

The public may provide comments on the permit renewal and permit applications during the 60-day comment period beginning on September 8 and ending on November 7, 2022. Comments can be provided verbally during the public information session, emailed to mike.griffith@arc-intl.com, or mailed to Durand at the address above to the attention of Mike Griffith. Any person providing a public comment should include the name, address, telephone number, and email address of the commenter so that a response by Durand may be supplied.
